## Objective

Computer Science undergraduate at Atma Ram Sanatan Dharma College, University of Delhi, with strong interest in data analysis and visualization. Skilled in Python with Pandas, NumPy, and Matplotlib, with experience building GUI applications using Tkinter and developing web applications using HTML, CSS, JavaScript, and Django.

## Education

**Bachelor of Computer Science (hons.)**
Atma Ram Sanatan Dharma College, NIRF-5, University of Delhi
Expected Graduation : 2028

**Class 12th**
+2 Nadia Hindu High School Lohardaga, Jharkhand Academic Council
Percentage: 70% | Year: 2024

**Class 10th**
St. Stanislaus High School Lohardaga, Jharkhand Academic Council
Percentage: 86.20% | Year: 2022

## Projects

iONIA : preparation platform for competitive exams
Worked as a frontend contributor on an online competitive exam preparation platform. Assisted the main frontend team by implementing minor UI improvements, fixing layout issues, and making small feature updates to enhance user experience.

Text Editor : Tkinter-Based Python Text Editor
Developed a desktop text editor using Python Tkinter featuring text formatting, themes, file management, and customizable interface similar to Windows Notepad.

COVID-19 Data Analysis Dashboard
Built a Django-based web application to analyze COVID-19 statistics. Used Pandas for data processing and Matplotlib for dynamic bar and pie charts showing deaths, recoveries, and active cases, with country-wise data selection.

PopWorld : PopWorld Global Population Visualization Platform
Developed a Django web application visualizing global population data on an interactive map using Folium and APIs for country information.

## Technologies

Languages/Frameworks: Pandas, Numpy, TKinter, Matplotlib, Folium, Django, Python, C++, JavaScript, HTML, CSS
additional: MS Office, Prompt Eng, Web Researching

## Experience

Academic Content & Research Intern – **Ionia Technology LLP**
Currently working as a Subject Matter Expert Intern at Ionia Technology LLP, Gurugram, contributing to the research and organization of study resources for competitive exam preparation platforms including JEE, NEET, CUET, and CLAT.

## Hobbies and Interests

Enjoy playing guitar and chess, exploring strategy-based PC games, and visiting lesser-known natural places, especially forests, which helps me relax, stay curious, and maintain a balanced lifestyle.
